

ERIBA Touring Children's bed

(EN) The children's bed offers you an additional sleeping opportunity. The bed is inserted into the table-mounting rail at the front. When done so, attach the two straps to the roof securely.

important information

The windows must be closed during use! Danger of falling out!

Not suitable for unattended use by children under 6 years!

The maximum load capacity of 50kg must not be exceeded!

Warranty Terms

Any warranty claim is void if the system is loaded beyond the permitted load capacity or is used in any other way than for its intended purpose as describe above. The statutory guarantee conditions shall also apply.
